

## **CYBOCS Scoring Instructions**

The **Children's Yale-Brown Obsessive-Compulsive Scale - Parent Report** is a version of the original clinician-administered CY-BOCS that is designed to be completed by the parent.

It is a 10-item scale of pediatric Obsessive-Compulsive Disorder symptoms and severity.

Choose the answers that best describe the child over the **past week**

### **Scores produced**

**Obsession subtotal**  
**Comulsion subtotal**  
**CY-BOCS total**

### **Interpretation (Total score)**

**0-7 subclinical**  
**8-15 Mild**  
**16-23 Moderate**  
**24-31 Severe**  
**32-40 Extreme**
