April 11, 2021 to April 12, 2021

OVERVIEW

PROGRAM

ACCREDITATION

REGISTER

This free two-day virtual intensive training enhances primary care providers' skills to assess treat and manage common mental health concerns in children and youth. It is presented by Project TEACH, a project funded by the New York State Office of Mental Health.

#### Course Descriptions

- Trauma-Informed Care: This Intensive Training module addresses how to screen for and treat trauma in children and adolescents.
- Depression: This Intensive Training module addresses how to screen for and treat pediatric depression.
- Anxiety: This Intensive Training module addresses how to screen for and treat pediatric anxiety.
